Program At Various Resorts Begins First Week-end In January

LOS ANGELES.—As the result of a series of conferences, attended by representatives of the various resort areas, transportation companies, and other interested groups, a comprehensive program of winter sports events has been completed and coordinated for the coming winter season. This program, as revised and approved, was coordinated through the winter sports committee of the California State Chamber of Commerce.

As revised, and accepted by the various resort areas, the program will open the first week-end in January, and will continue until March. Although ample snowfall of the right character is anticipated before January, no major events are scheduled for the two closing week-ends of this month. General programs will be held at the various resorts during these two week-end periods.

The opening event of the season will be the Southern California Snow Carnival to be held at Camp Seelye, January 6 and 7, by the Los Angeles city recreation department, assisted by Crest Forest Resorts. The following week-end, January 13 and 14, an invitational ski jump will be held at Wrightwood; the Viking Ski Club meet will be held at Big Bear Lake on January 20-21; and the California State Ski Association Championship and Winter Sports Carnival is scheduled for Lake Arrowhead on January 27-28.

Big Plans.—The Los Angeles county mountain playground, will be the scene of the Eighth Annual Winter Sports Carnival, sponsored by the county and the Los Angeles Junior Chamber of Commerce, for the three days of February 2, 3 and 4. The following week-end, February 10-11, is being held as an open date. On February 17-18, the National Orange Show Ski Tryouts for Class B skiers will be held at Big Bear Lake and Lake Arrowhead; and the following week-end, February 24-25, the National Orange Show Ski Championship will be held at the same location.

POULTRY STOLEN

For the second time in recent weeks, the poultry yard of J. M. Conkle, residing in the shoeing strip, was raided Saturday night and about a dozen chickens were taken.

Huskies Bow to U. S. C., 7 - 13

Pictured above is a bit of action from the Washington-U.S.C. football game in Los Angeles Saturday—the game which officially closed the 1933 conference season and saw the Trojans score another win. A long pass from Warburton, intended for Becos (No. 37), who is behind the goal line, is being intercepted by T. Hanson, Washington's end.

THREE TEAMS DROPPED, ONE ADDED TO TROJAN SCHEDULE

Loyola, St. Mary's and Georgia Off the List As Issued This Week; Troy Will Go East On October 13 to Play Pittsburgh Panthers

Announcement this week of the football schedule for the ten teams of the Pacific Coast Conference shows only one team listed so far as having scheduled a game with St. Mary's and none of them lined up yet with Loyola.

However, as all of the schedules show some open dates it is more than likely that as soon as St. Mary's Loyola and Santa Clara get around to make up their lists of opponents that these three teams will be furnishing some of the major entertainment during the fall.

With U. S. C. scheduling Pittsburgh for an early season game and Notre Dame for the wind-up, it looks as if Georgia has been definitely dropped, and after the poor showing the Georgians have made during the past two years, perhaps the fans will be as well satisfied to see some new material.

Former Star of Detroit Tigers Will Play Here

Sam Crawford, Red Fraser, Will Lead County All-Stars to Battle Sunday

Tommy Bowker's Torrance Merchants will have a man-sized job ahead of them next Sunday when they attempt to stop the undefeated Los Angeles County Bureau of Welfare All-Stars in their game at the local diamond.

The All-Stars are headed by Sam Crawford, former Detroit Tiger, one of the heaviest sluggers of that team and a pal of the famous Ty Cobb who used to be the idol of the fans before he dropped out of baseball and the equally famous Babe Ruth came on the scene.

Tommy insists that with Joe Conroy, nimble shortstop, back in the line-up and Shelby Venable guarding the first sack, he will have a team that will give Sam and his mates a busy afternoon. Joe Storti will pitch for the Merchants, and that alone should give them the edge.

The All-Stars will have Red Fraser, Toronto's ace, on the mound for their side. The Merchants have faced Red before and they were unable to do much, but may be this time it will be different.

Manages Tommy is making a heroic effort to keep baseball on the map for Torrance but slim attendance at these first-class games is making the going too heavy for him. Unless the fans respond in larger numbers than heretofore, the Merchants will have to go into the discard, says Tommy, as he is financially unable to stand the strain.

All those who want to see baseball continued at the Torrance park are requested to come out next Sunday and bring all their friends. The city has expended a good deal of money to furnish a desirable place for the games and it seems a shame to have the ball park stand idle as it will have to do unless the gate receipts pick up.

The Merchants journeyed to Long Beach last Sunday instead of playing on their own grounds as was announced last week, and lost to George Stovall's Houghton Park outfit, 8-2. It was a good game, though.

It is a self-liquidating program financed entirely in northern and central California, and IS NOT a general bond obligation of the state (Atty. General U. S. Webb's opinion).

Only 26 of the 120 members of the legislature opposed this ENABLING ACT.

The development of a substantial block of power and fear of lower rates had brought on the referendum by selfish interests in the north.

Guests of honor for Tuesday night, which figures to pack the arena to the very rafters, will include many of the better-known motion picture actors and actresses. Never yet has Dempsey's drawing power failed. He has packed every arena, regardless of size—wherever he has been third man in the ring.

Basketball and Horseshoe Squads Down Opponents; Tennis Teams Lose

Narbonne girls carried off several victories in the playday held at Banning high school December 6. The senior basketball team proved victorious in a game with Banning. The girls on the team were Mary Tarico, Melba Shafer, Julia Hunt, Harriet Fink, Velda Haller, Helen Bartell and Mildred Robertson.

The junior basketball team rolled up the big score of 60 points to Gardena's 23. Gauchettes who were responsible for this victory were Joyce Bunge, Julie Gannon, Helen Gough, Helen Hart, Dorothy Springman, Geneva Straub and Emma Widner.

Chloell Alkman and Jane Byham successfully represented Narbonne in horseshoes, winning from both Banning and Gardena. The volleyball team met defeat at the hands of Huntington Park, and the tennis team, made up of Veret Gibson and Virginia Backus lost their match to Banning, after the play-off of a tie.

Casaba Squads Lose Two Tilts to El Segundo

Tartars Weak On Passing and Shots For the Basket

The Tartar varsity basketball squad met defeat at the hands of the flashy Oilers from El Segundo last Friday afternoon by a score of 18-11. El Segundo's brilliant passing attack caught the Tartars flat-footed several times.

Due to the tight defense of the Oilers the Tartar team was unable to overcome the seven-point lead which the Oilers obtained in the first three minutes of play.

McGrath, Oiler center, was high point man with eight, Warrington for Torrance hooped four.

The El Segundo lightweights took Torrance with an overwhelming defeat of 35-18. The teams were evenly matched as to size but Torrance was weak on shots for the basket and the Oilers had the edge on passing. Morrison counted 14 points for his team and Allen of Torrance lead his squad with seven.

Line-up:
Torrance: El Segundo
Micanovich RF Jensen
V. Micanovich RG Palmer
Peet C McGrath
Yamamoto LG Cuddington
Warrington LF Payne

Civil Service In L. A. County Employs 14,000

Vast Army Takes Examinations Every Year to Fill Vacancies

More than 14,000 persons today are employed by Los Angeles county under civil service, some of them in this community, according to the annual report of the county civil service commission, which has just embarked upon its twenty-first year.

Employees of the county flood control district and of the several county sanitation districts are not included in this total, the report to the board of supervisors pointed out.

Recounting the 20 years of the commission's existence, the report contrasts working conditions of 1920 with those of 1933.

"There was no increase in the number of persons examined during 1933, despite an increase in number of jobs open," the report for 1930 stated. "This is due to the fact that opportunities in private employment become more attractive than those in public employment. Our eligible lists are soon exhausted and more effort is required to obtain satisfactory applicants for employment."

In contrast, 13,188 persons were before the commission's examiners last fiscal year, seeking 209 vacancies. Some 6000 turned out to a truckdrivers' examination alone.

When county civil service succeeded the "spoils system" in 1913, there were but 3324 county employees as compared with 14,073 under civil service alone today, excluding flood control and sanitation districts. In 1913, 73.3 per cent of the employees received less than \$75 a month; while 2.6 per cent received more than \$150 a month. Ten years ago, in 1923, there were 6000 civil service employees, showing that the number of civil service employees alone has more than doubled in the past 10 years.

He was committed in default of payment. Lindakow is being held under the custody of Deputy Sheriff S. W. Kirschoff for further investigation regarding the ownership of a car he was driving at the time of his arrest.
